

Summary report

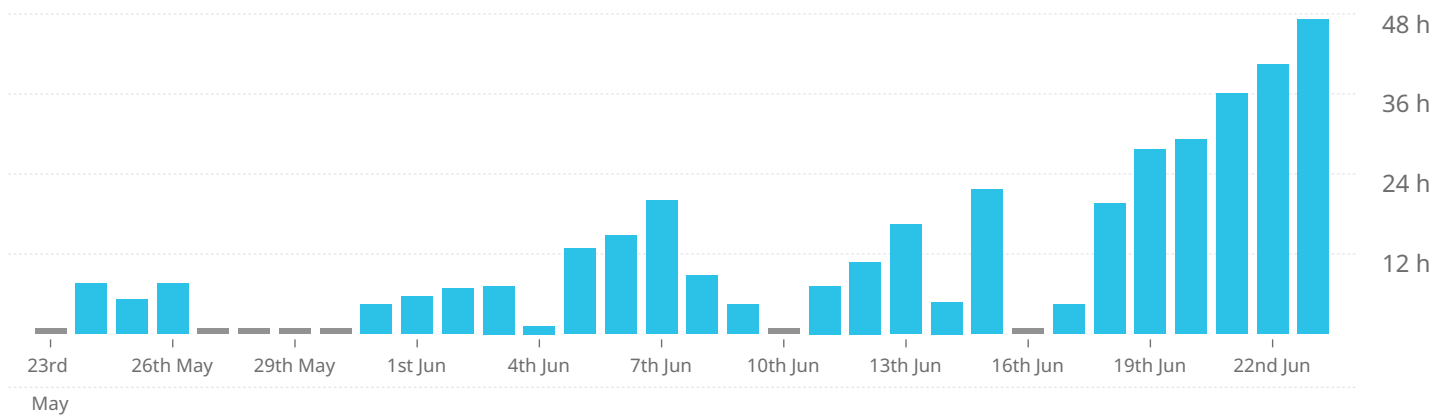

2016-05-23 - 2016-06-23

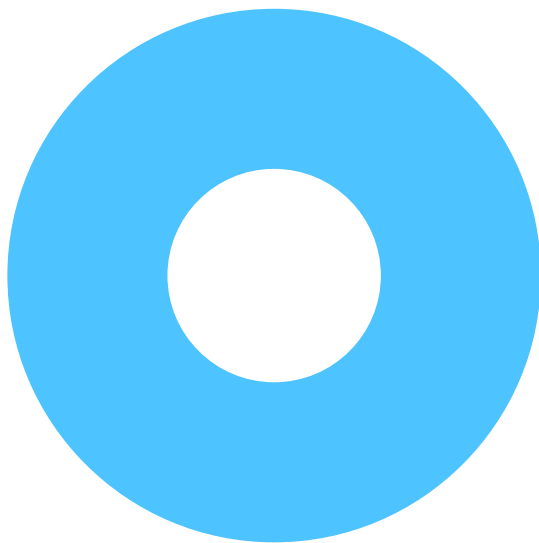

Total 367 h 57 min

Charles, Jhyangkim, Jungkyun98 and 2 more selected as users

SurePark selected as projects

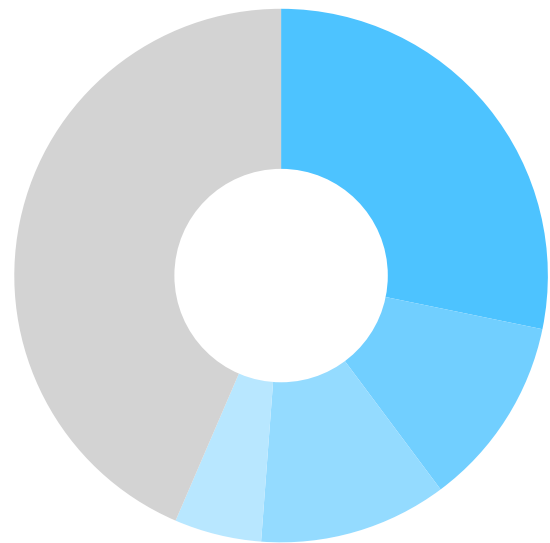

Projects

● SurePark 367:57:43

Time entries

● Documentation 103:50:35
● Meeting - daily 42:36:08
● Integration Test 41:55:48
● Meeting - mentor 19:25:17
● Other 160:09:55

Projects / Time entries	Duration
SurePark	367:57:43
Design - 1st decomposition	4:19:00
Design - add new garage	1:30:04
Design - classify driver, attendant and owner	0:50:38
Design - controller (2nd decomposition)	3:20:47
Design - controller (detailed design)	1:02:26
Design - data transfer	1:00:56
Design - DB transaction	0:29:48
Design - facility controller	15:29:08
Design - facility controller protocol	3:06:09
Design - login UI	1:29:42
Design - ManagementService	13:38:21
Design - reservation UI	1:01:08
Design - showing garage UI	1:15:54
Design - statistics UI	1:29:50
Design - SurePark Manager	8:55:36
Documentation	103:50:35
Implement - add new garage	2:41:37
Implement - confirm reservation	0:43:19
Implement - controller	6:03:51
Implement - controller	18:13:13
Implement - DB insert communication	2:00:37
Implement - facility controller	16:26:33
Implement - input validation	4:30:29
Implement - login UI	1:34:44
Implement - making reservation	2:29:02
Implement - ManagementService	11:41:39
Implement - modal popup	2:19:29
Implement - noshow	2:37:01
Implement - reservation info	0:24:54
Implement - session control	2:41:37
Implement - showing garage UI	2:00:44
Implement - show statistics	6:20:05
Integration Test	41:55:48
Integration Test - test case	10:09:00
Management - scheduling	2:12:00
Meeting - daily	42:36:08
Meeting - mentor	19:25:17
